The Coats for Kids program distributes warm winter coats to students in grades preschool through high school who need coats! Slightly used coats are donated by individuals and through various school coats drives. The coats are first cleaned by Premier Cleaners and then brought to the distribution points.

Last year (2008) Operation: New View Community Action Agency distributed a total 2,314 coats, mittens, gloves and scarves through our Coats for Kids Project.

Referrals are made throughout the year for this program through our Outreach services.

**Coats for Kids** is a program to help kids have warm coats for the winter months. In Dubuque County, Operation: New View Community Action Agency, in conjunction with DUPACO, Courtesy Cleaners, and Cumulus Broadcasting, collect, clean, and distribute “Coats for Kids” each fall. Coats are available throughout the year through referrals.

In Delaware County, KCRG-TV, St. Luke’s Hospital, and City Wide Cleaners are involved with the “Coats” project.

The 19th annual “Coats For Kids” program will be held this year September 21 through October 17, 2009.

Co-sponsored by DUPACO Community Credit Union, Cumulus Broadcasting, Operation: New View CAA, and Courtesy Cleaners, the “Coats For Kids” program allows useable children’s coats to be dropped off at any DUPACO location between September 21 and October 17. This year, two area companies are also assisting with the program. The Metrix Company and Thermo Fischer Scientific are collecting children’s winter apparel from employees to donate for distribution.

The collected items are dry-cleaned compliments of Courtesy Cleaners and distributed to needy tri-state-area families by Operation: New View. Distribution will take place at St. John’s Lutheran Church, 12th & White, Dubuque, on Wednesday, October 21 from 9:00 a.m. to 1:00 p.m. and from 2:30 p.m. to 8:30 p.m., and on Thursday, October 22 from 9:00 a.m. to 1:00 p.m.
